Hoegaarden II, King, and Chiara, Queen Outlands

Greetings unto the mighty Kingdom of the Outlands;

Smiles flash across flower-filled meadows and laughter echoes through desert plains and mountain passes, proclaiming the Outlands home to our hopes and dreams. Proud warriors dance with blades across stone and pine, artisans of great merit dream visions of beauty from clouds of thought to magnificent creations of reality, and enthusiastic architects of Outlands green and gold assemble events of such great joy. These visions of green and gold call to us from our past, present and future. We are the Outlands, the mighty stag leaping forth, heart beating strong and head held proud and high. We are a land of legends, where mighty heroes still walk and stop to share a tale by the fire. The new are welcomed as long lost kinsmen and honor given to those who have shined brightly through our history, like the jewels in our crowns. We ask for this love of our land, the mighty Outlands, to continue in your hearts. To care and nurture for all of her kind, respecting our culture and our past, as well as the hope of those who silently follow in our footsteps to our future. The Kingdom of the Outlands has brought us countless moments of joy and happiness and we wish the best of those times to all of you.

Congratulations to the many well-deserving members of our kingdom who have received recognition for their great efforts. We have offered admittance to the Order of the Pelican to Duncan Alastair MacRae and Mary of Lyonshall, Baron and Baroness Fontain dans Sable. The Order of he Laurel will have a new member at Known World Heralds and Scribes event, when we hear the answer from Margherita da Fiore. We have also proclaimed our intent by offering admittance into the Order of Chivalry to Elijah Tynker. Our kingdom is full of great and wonderful people and we thank those who have been recognized and look forward to written council regarding those we have not yet acknowledged.

In July, we remain in the Outlands to travel throughout our lands. Glory will soon be achieved by those traveling to the northern lands of our fair kingdom. We look forward to playing host to visiting royalty, showing our cousins some Outlandish hospitality of legendary proportion. We will also attend Caer Galen defender in mid-July to witness the tourneys and fun to be had. Our kingdom hosts the Known World Heralds and Scribes event this month and we look forward to witnessing our talented artisans sharing their craft with the many visitors we will have from foreign lands.

In service to the Outlands,

Hoegaarden II
King

Queen

Site is WET, but pack your own empties out.

Friends, Romans, Countrymen, OUTLANDERS – Lend me your ears! Their Excellencies, Massimilliano and Yazida, invite all to come and participate in the Caer Galen Defender Tournament, Gladiator-style – Bring your round-shields, your bucklers, your gladius, and your sense of humor!

There will also be a Lieutenant of the Guard Tournament, woods melees run for the heavy fighters, and plenty of opportunity for power-lounging, drinking wine, eating grapes, and watching chariot races – did I mention this year's theme is Roman?

News Flash!!!! The Wheel of Fruit will be making an appearance again, celebrating its' one year anniversary at Caer Galen Defender! Lord Frederigo invites one and all to join Caer Galen for a "Mess O' Medieval MissileMayhem"! Devise from your own ingenium a sling, catapult, or trebuchet capable of flinging a random fruit or vegetable into the woods. Spin the wheel of fruit and take your chances! Time and place of the mass flinging will be announced as the time grows nearer to the event. Contestants will be judged on distance, accuracy, and originality. Two rules for the site: All projectiles must be biodegradable, and all flinging devices must not catch ANYTHING on fire.

Amenities: LOTS of shade, dancing monkeys, Water from pump spigots, on-site (though primitive) toilets, silly autocrats, dogs on leashes okay, Fire rules in effect for Arapahoe and Roosevelt National Forests. Site is WET, but please pack out your empties. Note this is at 9200 feet elevation, so you will have to breathe more often. Tents only, no RV's or trailers according to site restrictions.

Also, what we have learned from last year – bring wheelbarrows, hand-trucks, minions and squires to haul your stuff into the camping area – vehicles are allowed in only 1 at a time, and usually not all the way into the campground, due to water pipes underneath the roads.

Event Schedule: (Note – all activities are subject to change without notice, due to randomness, whims, acts of gods, and flying monkeys.)

Friday: 3pm - Troll opens - chaos ensues.

Saturday: 10am - Opening Court
11am - List opens for Defender Tourney / 11:30am - Defender Tourney starts
Noon - children's activities start
1pm - Lieutenant of the Guard List opens / 1:30 - Lieutenant of the Guard Tourney begins
3pm - woods melees - heavy
Evening Court to follow melees, at Their Excellencies' whim
Darkish - Party and dancing - the theme is Roman! Remember your Stolas and togas.

Sunday: General lazing about, more power-lounging, sleeping in.
Noon - site closes

Please contact Keridwen (your friendly neighborhood autocrat!) if you have any questions regarding the schedule or volunteering.

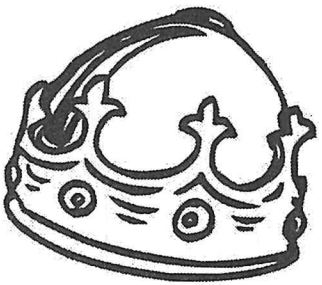
Although it seems odd to talk of heirs while Their Royal Majesties' full glory is upon them, our Great King and Queen, being mindful of their duty have declared that a Great Tournament will be held on September 10, AS XXXX in their most loyal Shire of Dúthaich Beinne Áird to determine their heirs.

We will have the run of the entire Faire Grounds of the local county. Since the local University is holding a primitive contest involving an oblong spheroid that same day, the Shire encourages those who wish stay in local inns begin to make contacts with those inns now. We are currently working to see if we can obtain special rates, but with this so-called "football" contest, it is unlikely that we will be successful. However, we will have indoor "camping" space available in our secondary hall (60 x 80 feet). If you wish to use this space, which has restrooms but no showers, the cost will be included in your site fee.



The site is wet (period containers only). There will be a donation lunch on Saturday and feast on Sunday evening will be coordinated by Mistress Galiana and Lord Valeryjan (so you know you won't go away hungry). If enough people use the site crash space, the shire will offer a breakfast on Sunday.

Since we have the site all night, revels will be held in the same place as feast.

Earl Marshal Office - Kingdom Earl Marshal

Greetings to all....

Tourney season is upon us. it is time to check your gear be you a rattan fighter, rapier fighter, equestrian, archer or wherever your interest lies..... Check to insure that it is in good repair and legal within the SCA and kingdom rules.

The new target archery rules have been approved and are in place. Many thanks to Don Oengus for his hard work, and all those others who offered their words of wisdom in completing the new target archery rules.

If you are a local marshal, and have not done so by the time you read this, you are late getting in touch with me so I can get your warrants done.

Remember that this is also the time when many of us travel out of kingdom, and many others travel here. If traveling to a neighboring kingdom, check on their local rulings and customs and be flexible when dealing with their force, rules and uniqueness, for we are ALL pretty culturally diverse.

Fight well, Fight Safe and Have Fun.

Sir Mavrikii Andronikov

Chronicler's Office - Kingdom Web-Minister

Populace of the Outlands,

I shall be stepping down in September 2005. If you are interested in applying for the office of Webminister - please send a letter of intent to the Kingdom Chronicler, Their Majesties and myself. Please include web pages you have created or maintain and a resume. If you have questions on what this office entails please feel free to contact me. Applications will be accepted until July 30,2005. At that time each candidate will be asked to create an on the fly a "mock" webpage for review. Thank you.

Baroness Christina McCarty

Chronicler's Office - Kingdom Chronicler

Greetings to the Populace of the Mighty Outlands,

There is a new process for placing events on the "Kingdom Calendar". To have an event listed on the Kingdom Calendar, please send an email to *kingdomcalendar@outlands.org* with the Event Name, Date(s), Sponsoring Group, Autocrat Name and Phone Number. By sending the information to this email address, you will ensure that the Keeper of the Online Calendar and the Chronicler receive your event information. If you are planning an event, have the weekend set, but have not yet secured an autocrat or site, please send in your event information anyway, using the group Seneschal as the autocrat, you can always change this information at a later date. As this kingdom continues to grow and more and more groups are completing for the same number of weekends to hold events, getting your event placed on the Kingdom Calendar as soon as possible is important advertising for your event.

In order to have your event listed as an "Official" Kingdom of the Outlands Event, you can scan your COMPLETED event registration form and email it to *kingdomcalendar@outlands.org*, or you can mail to the Kingdom Chronicler (contact information is listed on page 28 of this Outlandish Herald).

The Outlandish Herald is in desperate need of artwork, both for the cover art and small filler pieces. If you are holding an event and looking a great way to advertise your event, consider providing cover art for the OH cover the month of or the month prior to your event. All you have to do is provide original artwork to the OH with an authorization to published statement. Your artwork is then used on the cover and your group / event receives free advertising for the entire month that the OH is used. If you are interested in providing artwork, please contact the Cover Art / Articles Deputy: Kieran Blake (Jason Lantrip) at *Acheron@elp.rr.*

And finally, the you may notice that this Outlandish Herald looks a little different. The colored cover that everyone is used to has been replaced by a white cover with colored ink. Additionally, you may notice that your OH has been mailed from Knoxville, TX. At the recent Known World Chronicler's Symposium, Video Publishing and Printing proposed to all the Kingdom's of the Known World that he wishes to become all of publishers, and made an offer to print, bind, and mail our newsletter that was hard to refuse. As a Kingdom, we will be using this printer for a two-month trial run to see how it works and if mail time is affected by mailing from TN rather than NM. Please send any comments you may have regarding this switch in processes to me. Additionally, please let me know when your OH arrives so that I can track mail times and determine if this is a workable process for this Kingdom. If this works out, we will be able to restructure our advertising rates, as our overall printing and mailing costs will decrease, along with the manpower hours it takes to publish the OH each month.

In Service to the Kingdom of the Outlands,
Baroness Emma of Essex

Windhover Bard

Greetings to all from the Windhover Bard.

It is said that time flies when you are having fun. That is all too true. Already it is time to think upon the competitions slated to find the next Kingdom bard.

The Windhover Bard was created to honor the memory of Mistress Kyriel of Windhover Cliff, an extremely talented (and formidable) poet. The position combines both the entertainment and literary aspects of a kingdom bard position. Dependent upon the whim and need of the Crown, duties may include reciting the lineage of kings, entertaining before/during court, composition of honorific poetry (or song), etc.

The rules for the semi-final competition are as follows:
1. Contestants will perform two pieces, one of which must be spoken poetry.
2. Contestants should be prepared to perform another piece, should the judges reach a tie.
3. Contestant must be able to attend the finals at Crown Tournament. If a semi-finalist cannot make the finals, the position will default to the other semi-finalist.

My thanks to the gracious autocrats who have allowed us to use their events as the venues for the semi-finalist competitions.

Northern Semifinals: Glory, Unser Hafen, Sunday night, July 3
Southern Semifinals: Silver Pass, Rio de las Animas, Saturday night, September 3

If you have any questions regarding the competition, please do not hesitate to contact me at *karobert@unm.edu*.

Minister of the Arts and Sciences

Greetings Good Gentles of the Outlands,

I am pleased to announce that I now have 2 active deputies. THL Marguerite Dinard of Windkeep in the north, and Lady Jayne Barber (formerly known as Lady Barbara) of Al-Barran in the south. I hope you will extend to them the same gracious support shown to me in support of this office.

I would like to thank THL A'isha bint Asad ud Din for all her work on arranging so very many classes at Outlandish, and of course all those who supported her in making that happen

THL Chiara Grassi

Minister of the Arts and Sciences - Southern Deputy

Greetings to the Artisans and Scientists of the Outlanders,

I am delighted to announce that the Outlands Arts and Sciences website is being expanded this summer. One of our plans is to include the names of individuals from the Outlands, who teach the various arts and sciences. We are planning to group the arts and sciences under the current Outlands A&S categories of Visual Art, Fiber Art, Domestic Arts & Sciences, Performing Arts, Letters (original) and Functional Art, and then by specialties (e.g. Black Work, Armoring, Metal Thread Embroidery, Court Dancing, etc.).

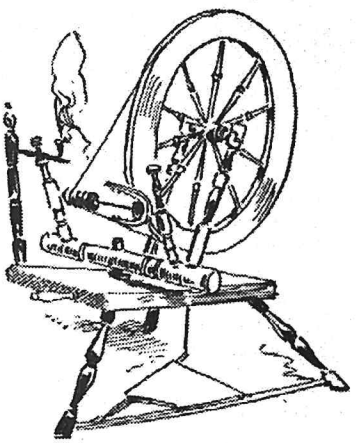
If you wish to be listed as a teacher of an art or science or that you are willing to share your knowledge with others, please email Lady Jayne Barber (formerly Lady Barbara) at *artsdeputy-south@outlands.org*. As the A&S website expansion information coordinator for this project, I need the following information from each of our artisans and scientists, who wish to be listed:

* Your A&S Specialty(s) (e.g. Black Work, Armoring, Court Dancing)
* Your SCA Name & Title
* SCA Group
* Contact Information (optional) (email address, phone # & area code)
* Classes you are willing to teach (by A&S specialty)
* Whether you are willing to travel to teach an A&S class
* Your favorite websites and discussion lists (by A&S specialty)
* Your favorite resources (by A&S specialty)

Please note, if you don't want your contact information put on the website, that is okay, just let me know. However, in order to continually update this information, please send me your email address or other contact information for our files.

We would also love to hear any other ideas that you would like to see on the Outlands A&S website. Please feel free to forward this request to other Outlands discussion lists and your friends.

Yours in service to the dream
Lady Jayne Barber



Herald's Office - White Stag Principal Herald

Greetings, fellow Outlanders!

The White Stag decision meeting schedule: 10 July, 12 noon, at my residence. Drinks will be provided. Healthy children welcome. I have cats, for those with allergies. Call or e-mail for directions.

HANDLING SUBMISSONS FUNDS: The Kingdom Exchequer and I have discussed the prior issues surrounding submissions funds, and those are resolved to our satisfaction. Therefore, individuals in a branch that does not have a herald may now send their submissions forward with a personal check or money order made out to SCA-Kingdom of the Outlands. Such checks should be made out for $11 with Castle Herald in the memo line.

PLEASE NOTE: Known World Heralds and Scribes is this month. This is not just for those with years of experience or a fancy title – the event is also for the new and the possibly interested. I hope to see many of you there. Contact the autocrat for more information at kwhss@outlandsheralds.org.

HERALDIC MYTHBUSTING: I've been receiving several name submissions using the s-gabriel.org site or their reports as documentation that have not included photocopies, so I must assume that there is a heraldic myth that the Academy of S. Gabriel reports and library articles do not require photocopies. At the time of this writing, no S. Gabriel resources are on the no-photocopy list, and must therefore include either the entire Report, or the front page of the article including title, author, url, and date accessed, and all pages referenced for the documentation. –>Late-breaking news is that this is currently under review by Laurel, but until such time as a change is announced, please continue to send copies of S. Gabriel resources. For a list of sources that do NOT require photocopies, please see Appendix H of the Administrative Handbook *http://www.sca.org/heraldry/laurel/admin.html*. For a list of sources to AVOID, please see Appendix F of the same document.

Seneschals Office - Kingdom Seneschal

Greetings unto the glorious Outlands!

Recently, Baroness Emma, Outlands Kingdom Chronicler, implemented new procedures for the calendar process. Please send your event submissions to *kingdomcalendar@outlands.org* in order for them to be properly received and processed.

July 22-24 brings the Known World Heralds and Scribes Symposium to the Outlands, sponsored by the Baronies of Unser Hafen and Caer Galen. In addition to some amazing classes, this will also give us a chance to meet some wonderful people from throughout the Known World and showcase the hospitality of our great kingdom.

Stagscon, the premier service event in the Outlands, will be held the second weekend of October in the Barony of Caerthe. THL Robert Marchet will be the autocrat for the event, and it promises the opportunity for not only officers of the kingdom to learn valuable information regarding their jobs, but provides anyone interested in learning more about service to the kingdom and the Society the opportunity to learn about the job early on.

Looking forward to seeing you all,

Mistress Leah de Montgomerie of Lark Hall

The Board of Directors needs your help! We ask that you write or email the Board giving us your comments regarding any of the nominees on this list with whom you are familiar. While all commentary is more than welcome, we find it especially helpful to read your assessments of the nominee's abilities in areas such as working with diverse groups of people, understanding of varied aspects of the SCA, ability to plan and carry through projects to completion, ability to meet deadlines and keep up with correspondence, and past experiences in either SCA or modern world capacities that would be useful on a nonprofit corporation's Board of Directors. We also strongly encourage you to send us the name and contact information of anyone you feel would make a good candidate for the Board of Directors. All commentary is kept confidential, and new Directors never see the commentary made about them. Please address comments to the Ombudsman for Board Recruiting: Lis Schraer, 3651 Hartford St., St. Louis, MO 63116, or send them via email to *recruiting@sca.org*.

Exchequers Office

Greetings to all,

It is my honor to assume the position of Exchequer, and I thank those whose confidence in me has placed me in this office. My heartfelt thanks and gratitude to Duchess Cainnleach, who so capably led us as Interim Exchequer. Her continued service to the Kingdom is more than anyone can know. It was a pleasure to meet some of the branch exchequers at the training class during Coronation. Your willingness to serve in this important office is humbling. I look forward to meeting those exchequers who were not at Coronation.

I would like to share my philosophy, goals, and commitment for the exchequer office. My philosophy is the exchequer is the only job in the SCA that can bring down the SCA. A bold statement perhaps, but the IRS is very interested in finances. Look at Enron. In my opinion, Exchequers are the unsung heroes of the SCA. It is business as usual when we get it right, and death and dismemberment when we do not. One of my goals is communication to include upward, laterally and downward. I also believe in maintaining a transparent office. My commitment is to answer the mail, help problem solve and address training needs. My only request is to not be surprised.

I am seeking a deputy to serve as Chamberlain. The duties of this position are to be responsible for creation, maintenance, storage, and repair of Regalia; maintain an inventory of Kingdom regalia and ensure the transition of regalia from Crown to Crown; complete a reckoning of property at the end of each reign; and at their discretion and with consultation of the Crown, create a Regalia Committee to assist in obtaining new items of regalia, replacement items, and providing help to the Crown in the care of regalia items. If you are interested in this position, please send a letter of intent to Mistress Leah and myself by July 31, 2005.

In Service,

THL Thorhalla Bjarnadottir
